

The BBS Archive is now exclusively at the UK site.

In preparation for the integration of the UK and New York offices in autumn 2000, the Princeton BBS Archive is no longer being updated. The older papers can still be found here as before, but no new ones will be added as of 1st Sept 2000 (nothing after vol 23).

To ensure access to the full archive please use the (faster) UK site now, by clicking [UK Site](#).
