

《Against the Current》 (图)

<http://www.firstlight.cn> 2010-02-25

Against the Current is our bi-monthly analytical journal. As part of our larger project of regroupment and dialogue within the U.S. Left, the journal presents varying points of view on a wide variety of issues. As such, debates are frequent and informative, with the goal of promoting discussion among activists, organizers, and scholars on the Left.
