JPE SELECTED FOR INCLUSION IN CENTURY OF SOCIAL SCIENCES

The *Journal of Political Economy* has been chosen for inclusion in the Century of Social Sciences, a bibliographic database published by Thomson ISI that includes comprehensive backfile and cited reference data from 1900 to 1955 for the most influential social sciences research of the 20th century. As one of the oldest and most prestigious journals in economics, the *JPE* is proud to be selected for this esteemed bibliographic collection.

MILTON FRIEDMAN ON ECONOMICS BOOK NOW AVAILABLE

Upon his death in the autumn of 2006, Milton Friedman was lauded as "the grandmaster of free-market economic theory in the postwar era" by *The New York Times* and "the most influential economist of the second half of the twentieth century" by *The Economist*. Winner of the Nobel Prize in Economics in 1976, Friedman was both a highly respected economist and a prominent public intellectual, the leader of a revolution in economic and political thought that argued robustly in favor of the virtues of free markets and laissez-faire policies.

Myth and Reality of Flat Tax Reform:
Micro Estimates of Tax Evasion Response
and Welfare Effects in Russia

"The study on Russia, published in this
month's Journal of Political Economy,
found that although the tax cut did
increase tax compliance, it did nothing to
boost the work ethic." --Christopher
Swann, columnist for Reuters
