Overview	Biography	Publications & Course Materials	Current Research	Areas of Interest
--------------------------	---------------------------	---	----------------------------------	-----------------------------------

Julie Wulf is an Associate Professor in the Strategy Unit at Harvard Business School and a Co-Editor of *The Journal of Law, Economics, & Organization*. Wulf's research interests are in corporate strategy and governance, the economics of organizations, organizational design, and mergers and acquisitions. She studies how firms create incentives for managers through mechanisms such as financial and non-monetary compensation, capital allocation processes, organizational structure and job design, and corporate governance. Wulf's work has been published in academic journals in the fields of economics, finance, and strategy such as *Journal of Labor Economics*, *Review of Economics and Statistics*, *Journal of Financial Economics*, *Journal of Industrial Economics*, *Journal of Law, Economics, and Organization* and *Management Science*. Select articles have been highlighted in the business press including *The Economist*, *Business Week*, *The Wall Street Journal* and *The Financial Times* and more scholarly publications such as *The NBER Digest* and *Sloan Management Review*.
