## **Development and efficiency of agri-food foreign trade of the Slovak Republic in the international context**

Agric. Econ. – Czech, 57 (2011): 41-46

The contribution is aimed at changes in the foreign trade of the Slovak Republic with agricultural and food products from 2004. The attention was paid to mutual relations of the imported and exported agricultural products. The contribution was supplemented by the comparison of

the SR agri-food trade performance with the other EU member countries. To attain
