Title: The deficiencies of the information offered by the present financial situations regarding the human resources

Author(s): [Cristina Liliana Popa](#);

Keywords: deficiencies, information, financial situations, human resources

Abstract:

In the attempt to harmonise the Romanian accountancy system with the International Accountancy Standards was noticed that some reglementations are easily assimilated, but some are not yet to be applied – like the ones from IAS 19 or IAS 26. So we have from theoretical point of view some issues – which solving those will bring to tremendous advantages for the practical aspects of these problems.
