## ABSTRACT

[September 1994, Vol. 117, No. 9](#)

# Training programs: the key to achieving ILO goals

*Allan Salt*

Former Director, Training Department, International Labor Organization

The views expressed in this article are the author's and are not necessarily a statement of the views of the U.S. Department of Labor or the Bureau of Labor Statistics.

---

The ILO continues to emphasize the importance of training in helping workers acquire skills to enable them to choose productive employment, and as a way of accomplishing its social goals. This article summarizes ILO training activities and examines potential changes in the training environment that could impact those activities.
