ABSTRACT

[December 2007, Vol. 130, No. 12](#)

Are male veterans at greater risk for nonemployment than nonveterans?

Greg A. Greenberg

Project Director, Northeast Program Evaluation Center, Veterans Administration, Faculty of Yale University.

E-mail: greg.greenberg@yale.edu

Robert A. Rosenheck

Director, Northeast Program Evaluation Center, Veterans Administration, Faculty of Yale University.

Veterans as a group do not have a higher risk of nonemployment than their nonveteran peers; however, the risk varies greatly by age cohort and ethnicity.
