## The hockey lockout of 2004?5

*Paul D. Staudohar*

Professor of Business Administration, College of Business and Economics,  
California State University, Hayward, California.

---

The epic lockout resulted in the loss of the entire 2004?5 National Hockey League season and produced an outcome slanted largely in favor of the owners; a salary cap, a pay cut for players, new free-agency rules, a new drug-testing policy, and changes in the rules of play were among the agreements reached in the settlement.
