ABSTRACT

[November 2005, Vol. 128, No. 11](#)

A summary of BLS projections to 2014

Norman C. Saunders

Coordinates the Research Program, Office of Occupational Statistics and Employment Projections and supervises the aggregate economic and labor force projections.

E-mail: saunders.norman@bls.gov

The U.S. economy is expected to expand at a moderately strong pace over the coming decade, with restrained inflation, continuing strong productivity growth, and a labor force growing at a steady rate with a favorable outlook for a wide array of job opportunities.
