ABSTRACT

[December 2005, Vol. 128, No. 12](#)

Bears, bulls, and brokers: employment trends in the securities industry

Michael H. Strople

Economist, Electronic Data Interchange Center in the Chicago Office of Field Operations, Bureau of Labor Statistics.

E-mail: strople.michael@bls.gov

Employment in the securities industry strongly correlates with stock market value; however, market volume does not exhibit the same relationship with the employment cycle.
