## **Flexible work schedules: what are we trading off to get them?**

*Lonnie Golden*

Associate Professor of Economics, Economics and Business Division, Commonwealth College, the Pennsylvania State University, Delaware County, Media, Pennsylvania.

---

Flexible work schedules are spreading, but workers sometimes must be willing to increase their hours markedly, work evening shifts, or switch to part-time status, self-employment, or certain occupations to get flexibility in their schedules; this may entail a sacrifice of leisure time, compensation, or a predictable workweek
