ABSTRACT

[December 2005, Vol. 128, No. 12](#)

Employment dynamics of individual companies versus multikorporations

Shail Butani

Chief of Statistical Methods Staff, Office of Employment and Unemployment Statistics, Bureau of Labor Statistics.

George Werking

Assistant Commissioner, Office of Employment and Unemployment Statistics, Bureau of Labor Statistics.

Vinod Kapani

Supervisory Mathematical Statistician, Office of Employment and Unemployment Statistics, Bureau of Labor Statistics.

Individual companies dominated employment growth during the recent expansion; in contrast, multikorporations were responsible for all the job losses during the recent contraction.
