Fatal occupational injuries among Asian workers

Jessica R. Sincavage

Economist, Division of Foreign Labor Statistics, Office of Productivity and Technology, Bureau of Labor Statistics.

E-mail: sincavage.jessica@bls.gov

During the 5-year period between 1999 and 2003, 775 people of Asian descent suffered a fatal work injury; this is equal to 3 percent of all fatal work injuries during this period; more than half of the fatalities resulted from an assault or violent act.
