(LSAY Briefing; n.16)

Abstract

This Briefing provides a summary of students' experiences at school and their attitudes and perceptions of these experiences at ages 15 and 16. It is based on information obtained in both years from these young people who participated in PISA in 2003 and are now part of the LSAY 2003 cohort. Table 1 shows the distribution, by year level, of the cohort in both 2003 and 2004.
