What will happen this year in your personal life? Or, What decisions have you taken for the coming year. Note: The student does not have to copy word for word my leads; he or she may replace my suggested "going to", for example, with a "will", and vice versa.

- English  
I will (a promise!) ...
- My job  
I am going to (intention) ...
- Sport  
I would like to ...
- Love  
I hope to ...
- Travel  
I am thinking about ...
- Money  
I will not ...
- Food/Diet  
I am not going to ...
- Friends  
I intend to ...
- TV  
I am going to watch ...
- School  
I promise I will ...
- My parents  
I will definitely ...

Some answers I got were:

- I am going to do a two-week English course in the UK, Ireland or America.
- I am going to find a job.
- I am going to leave home and get my own flat.
- I am going to walk to Santiago de Compostel (a 600km pilgrimage).
- I am going to do the First Certificate.
