## SCENE II. A room in the castle.

*Enter OTHELLO, IAGO, and Gentlemen*

### OTHELLO

These letters give, Iago, to the pilot;  
And by him do my duties to the senate:  
That done, I will be walking on the works;  
Repair there to me.

### IAGO

Well, my good lord, I'll do't.

### OTHELLO

This fortification, gentlemen, shall we see't?

### Gentleman

We'll wait upon your lordship.

*Exeunt*
