# Nonparametric estimation of genewise variance for microarray data

[Jianqing Fan](#),

Yang Feng, Yue

S. Niu

*(Submitted on 10  
Nov 2010)*

Estimation  
of  
genewise  
variance  
arises  
from two  
important  
applications  
in  
microarray  
data  
analysis:  
selecting  
significantly  
differentially  
expressed  
genes  
and  
validation  
tests for  
normalization
