Mathematical  
Physics

**Absence  
of  
magnetism  
in  
continuous  
-spin  
systems**

# with long- range antialigning forces

Marek Biskup,  
Nicholas  
Crawford

*(Submitted on 7  
Nov 2010)*

We  
consider  
continuous  
-spin  
models  
on the  
 $\mathbb{Z}^d$ -
