Abstract:

In this paper, we establish some results concerning the Hadamard product of certain meromorphic p -valent starlike and meromorphic p -valent convex functions analogous to those obtained by Vinod Kumar (J. Math. Anal. Appl. 113(1986), 230-234) and M. L. Mogra (Tamkang J. Math. 25(1994), no. 2, 157-162).
