标题:	On the nonexistence of limit cycle for a type of plane differential system
作者:	LI Jian—quan, YANG You—she
发表年限:	2003
发表期号:	2
单位:	(Telecommunication Engineering Institute, Air Force Engineering Un[iversity, Xi'an 710077, China)
关键词:	differential systems; singular points; limit cycles }nonexistence
摘要:	Through studying the singular points of the plane differential systems, the sufficient conditions of the nonexistence of limit cycle for the system are obtained by means of comparing theorem , analyzing divergence and change of variable.  <a href="#">On the nonexistence of limit cycle for a type of.pdf</a>
