**Date Accepted:** 28/01/2004

**Subject Codes:** Primary 26D15, Secondary 46C05.

**Editors:** [Josip E. Pecaric](#),

**Abstract:** In this paper we present a historical review of the investigation of two Ostrowski inequalities and describe several distinct streams for their generalizations. Also we point out some new methods to obtain known results and give a number of new results related to Ostrowski's inequalities.
