Editors: [Feng Qi](#),

Abstract: In this note, as a complement of an open problem by F. Qi in the paper [Several integral inequalities, *J. Inequal. Pure Appl. Math.*, **1**(2) (2002), Art. 54. <http://jipam.vu.edu.au/article.php?sid=113>. *RGMIA Res. Rep. Coll.*, **2**(7) (1999), Art. 9, 1039-1042. <http://rgmia.vu.edu.au/v2n7.html>], a similar problem is posed and an affirmative answer to it is established.
