EDUCATION

- Dept.of Math. Suzhou University Jun.,2002
 - Ph.D., [Inst.of Comput. Math.](#), Chinese Academy of Sciences Jun.,2007
-

WORKING EXPERIENCE

- Lecturer, Dept.of Math.,Shanghai Jiao Tong Univ. 08/2007-12/2010
 - Postdoc, Dept.of Math.,Hong Kong Univ. Science and Technology. 01/2008-12/2008 with Prof. [Edmund YM Chiang](#)
 - Associate Professor, Dept.of Math.,Shanghai Jiao Tong Univ. 01/2011-12/2016
 - Postdoc, [CRM](#), University of Montreal, Canada. 02/2012-02/2013 with Prof. Luc Vinet
 - Visiting Scholar, Dept. of Math., Hong Kong Univ. Science and Technology. 08/2016-10/2016
 - Professor, School of Math. Sciences. Shanghai Jiao Tong Univ. 01/2017-present
-

RESEARCH INTERESTS

- Integrable systems, Hirota methods, Orthogonal polynomials and Special functions
 - Integrable discretization of nonlinear integrable systems and numerical simulation
-

GRANTS

- China NSF: Studies of integrable systems and special functions, 1/10-12/12.
 - China NSF: Studies of integrable systems, orthogonal polynomials and special functions, 1/14-12/17.
