Three Unrecorded *Helophorus* Fabricius, 1775 (Coleoptera, Hydrophilidae) Species for the Turkish Fauna

Ümit İNCEKARA, Abdullah MART, Orhan ERMAN

Atatürk University, Science and Arts Faculty, Biology Department, 25240 Erzurum - TURKEY

**Abstract:** Three newly recorded *Helophorus* Fabricius, 1775 species for Turkish fauna, *Helophorus* (*Rhopalhelophorus*) *fulgadicollis* Motschulsky, 1860, *H. (R.) similis* Kuwert, 1887 and *H. (R.) subarcuatus* Rey, 1885, are compared against our specimens. Furthermore, their distribution in Turkey and around the world is presented.
