## **Agricultural co- operatives: perspectives for 21st Century**

Agric. Econ. – Czech, 48  
170

Agricultural co-operatives  
important role in the European  
can be proved by their number in  
individual EU countries. They  
have diversified during the 1990s  
and developed from the traditional  
operative of the Rochdale

several forms, which do not observe all the recognised principles. These are namely co-operatives, daughter co-ops, "New Generation Co-operative", limited liability co-operative, and in individual EU countries, there are considerable differences in
