Agric. Econ Czech

M. Kubanková
Burianová

The comparative
cost-rate and
profitability of
agricultural production
in the SR and CR

Agric. Econ. — Czech, 49

The article deals with the
evaluation of the development
economic indicators, such as
yields, economic result and
the Czech and Slovak Rep

period of years 1997– 2000 economic indicators are compared on the basis of results of the RIAFE Bratislava (Research Institute of Agricultural Economics) Prague. The first part contains the evaluation and comparison of the costs, yields and the results for agricultural production branches recalculated per hectare of agricultural land (a. l.). The second part contains the evaluation and comparison of the production intensity
