## 汪焰恩

2012-04-28 14:41

| 基本信息   |                       |      |        |
|--------|-----------------------|------|--------|
| 姓名     | 汪焰恩                   | 出生年月 | 1976.1 |
| 学历/学位  | 博士后/博士                |      |        |
| 专业技术职务 | 副教授                   |      |        |
| 联系电话   | 13891923523           |      |        |
| E-mail | wangyanen@nwpu.edu.cn |      |        |

## 主要研究方向及内容

人工骨支架仿生设计与快速原型制造

图形图像处理

## 公开发表论文(代表作)

1. Yanen Wang, Chen Yao, Framework for building web sites with Microsoft's .NET technology, Key Engineering Materials Journal, EI: 20112013982906.
2. Yanen Wang, Shengmin Wei, Xiu-tian Yan, Multiphysics Numerical Simulation on Bone Scaffolds under Fully Coupled Fluid-Solid-Thermo Model, The 2nd International Conference on Computer Modeling and Simulation (ICCMS 2010), Jan. 22~24, Sanya, China. ([EI: 20101712877078](#))
3. Yanen Wang, Shengmin Wei, Xiu-tian Yan, Computer Simulation for Bone Scaffolds on Account of Fluid-Solid Coupling Model, International Forum on Computer Science-Technology and Application (IFCSTA09), Dec. 25~27 2009, Chengdu, China. ([Award Grad I, Best Paper](#), IEEE conference, EI: 20101312805086)
4. Yanen Wang, Xiu-tian Yan, Error Analysis and Compensation for Development 3D Printer, 10th International Workshop on Research and Education in Mechatronics (REM2009), Sep. 2009, Glasgow, UK
5. Yan-en Wang, Shengmin Wei, Xiu-tian Yan, Integrating Domain Dependent Design Tools in Optimization Design Artificial Bone Scaffolds, Lecture Notes in Computer Science, (EI: 20080411047060, INSPEC:9649954, ISTP:ISIP 000250201800040), October, 2007
6. Yan-en Wang, Xiu-tian Yan, Shengmin Wei, Integration of Collaborative Design and Process Planning for Artificial Bone Scaffold 3D Printer Nozzle, (SCI: BFD23, EI: 20064210177551, INSPEC:9132619), Lecture Notes in Computer Science, pp132-140, October, 2006
