

Nuclear Theory

Reply to the comments by I. Angeli and J. Csikai on : 'Cross sections of neutron-induced reactions'

Tapan Mukhopadhyay, Joydev Lahiri, D. N. Basu

(Submitted on 30 Dec 2010)

Comments by Dr. I. Angeli and Dr. J. Csikai raise concerns and questions regarding omission of references, proper name of the model, energy dependence of the radius and average chord length as $4R/3$ which are briefly replied.
