The 5th IEEE International Conference on Network Softwarization (NetSoft 2019) will be held on June 24-28, 2019 in Paris, France. IEEE NetSoft has been created as a flagship conference aiming at addressing "Softwarization" of networks and systemic trends resulting from the convergence of Cloud Computing, Software-Defined Networking (SDN), and Network Function Virtualization (NFV), and leading the path to network automation.

NetSoft 2019 will feature technical paper presentations, keynotes, tutorials, demos and exhibitions from world-leading experts representing service providers, vendors, research institutes, open source projects, and academia. Additionally, topical workshops will be co-located so various call for proposals are issued.

Submission deadlines are as follows:

Category	Maximum Length	Submission Deadline
Full technical papers	9 pages (including references)	Dec. 3, 2018
Short technical papers	5 pages (including references)	Dec. 3, 2018
Workshop Proposal		Nov. 12, 2018
Tutorial Proposal		Jan. 15, 2019
Demo papers	3 pages (including references)	Feb. 25, 2019
