CloudCom 2009(mirror)

The Cloud Computing Association is a global, nonprofit member of the International Cloud Computing Association (ICCA) that focuses on cloud computing technology and related matters. The Cloud Computing Association was founded by a global group of experts interested in cloud computing and initiated the annual "International Conference on Cloud Computing

The 1st International Conference on Cloud Computing (ICCC) will be held in Beijing, China, December 1-4, 2009.

The 2nd International Conference on Cloud Computing (ICCC) will be organized by Indiana University, USA

This conference aims to bring together researchers who work on cloud computing. The conference main proceeding will be published in Springer as Lecture Notes in Computer Science (LNCS, indexed). The conference workshop proceedings will be published in Springer as Lecture Notes in Computer Science (LNCS, indexed).
