MRTD Regional Seminar

Welcome

THE SEMINAR VENUE IS A HIGH-SECURITY FACILITY.
PARTICIPANTS REQUIRE PROOF OF IDENTITY TO ENTER: IDENTITY CARD OR NATIONAL PASSPORT.

A Regional Seminar on Machine Readable Travel Documents (MRTDs) and Traveller Identification Management will take place from 25 to 27 June 2014 in Madrid, Spain. The Seminar, hosted by the Government of Spain, will address MRTD standards and best practices, assistance and capacity-building needs of States, identification management and related border security issues.

The MRTD Seminar will assist Member States in Europe in implementing ICAO MRTD specifications and related ICAO Standards and Recommended Practices (SARPs). The Seminar will specifically address the needs of States to further enhance the integrity of the passport process and ensure robust identification management in order to maximize border security and facilitation benefits.

In particular, the Regional Seminar will focus on the **ICAO Traveller Identification Programme (ICAO TRIP) Strategy** which was approved by the Council and endorsed by the ICAO Assembly in October 2013. The Strategy, responding to the global driving forces and needs of Member States, provides a framework for achieving the maximum benefits of travel documents in the future. It brings together the elements of identification management
