Upcoming Events & Announcements

Announcing the Release of "50 Simple Things You Can Do to Save the Earth"

Environmental Concern is one of the 50 partnering organizations that are featured in John Javna's new release.

"The authors have teamed up with 50 of America's top environmental groups, including The Natural Resources Defense Council, the National Wildlife Federation, and Rainforest Action Network. Each group has chosen one issue and provided a simple, step-by-step program that will empower you and your family to become citizen activists in the fight to save the Earth."

[For more information or to buy the book please click here](#)

Upcoming Professional Wetland Training Courses:
June 25th - Maryland Wetland Permit Course

July 10th - 11th - Introduction to Wetland Botany
For more information and to register [click here](#)

Come visit us **Saturday, June 14th** for our **Spring Open House**. Many native species will be available for sale. Our staff will be available to answer your horticultural questions. There will be activities for the whole family.

A Grand Hike through the woods for Junior Girl Scouts and their Grandmothers, aunts or moms

A great opportunity to connect with a granddaughter or niece, while looking for rare wetland flowers, finding signs of forest creatures and breathing in the fresh air along the trails of Tuckahoe State Park. Not a strenuous hike!

[Click here for more information](#)

Wander with Wetlands for Daisy Scouts and their Grandmothers, aunts or moms.

Girls will get to celebrate with important family members the wonders of wetlands, while making crafts, creating their own flower pot and transplanting wetland plants.
