

# THE ENVIROBIZ GROUP

8525 Arjons Drive, Suite H, San Diego, California 92126  
Tel: 858-695-0050

The Envirobiz Group Inc. provides consulting and research services regarding the options, challenges, and opportunities for resource conservation and environmental protection in North America. Our practice focuses on the management of resources contained in manufacturing processes residuals and post-consumer discards that can be conserved for beneficial use and/or require management as solid wastes to protect the environment.
