主题

Creator's vision of a new concept in shop style as a venue conceived to promote "Customer-to-shop Interaction". The winning design is to be made into an actual shop.

Main Theme

"Light My Fire"

When we stand in front of the store we feel a fire burn

A design you created that sets that fire in someone.

And from that unfolds an unexpected drama.

Fire burns in manyways: intensely, quietly, red

The most important thing is creativity.

As a designer, what will you express?

Express something ambitious.

Sub Theme

- "A path of thorny flowers"- for clothes you love to death

- "Beautiful shore of youth" - for coming generations

- "A life full of what you love" - for accessories

- "My first piercing" - for impressionable young teens

- "Luxury brand" - for a shop indulging in every luxury

- "A store of economy"-for a shop embodying "low-cosf"

- "Home by a suburban car park"- a road-side store

Original themes as created by entrants may be submitted for approval

参赛条件

Interior design: Floor space should be no greater than 170m2. There are no restrictions on the shape or height of the space.

Interior should be designed as for an apparel store (clothing, accessories, footwear sportswear, etc.).

Display design: Window display, mannequin, fixtures, modeling, and such points are unrestricted. Display should be designed as for an apparel store (clothing, accessories, footwear, sportswear, etc.).

奖励

- 专业组

Interior Design Award --- open number of winners

Display Design Award --- open number of winners

As part of their award winners will be invited to participate in nee project development for WORLD in 2008.

*Commissioned projects may differ slightly from the winning proposals, or winning proposals may be only partially adopted, depending on outline of new projects.

*The form, terms and timing of project contracts will be determined subject to discussion between WORLD Co., Ltd. and winner (s).

- 学生组

PLEASE NOTE

*Entries are limited to previously unpublished works. Works entered previously in other competitions or published otherwise are ineligible.

*Please refrain from submitting entries in other competitions or presentations.

*Concerning works which risk infringement on any copyrights, rights to likeness, trademark rights, design rights or any other rights held by a third party, the entrant is responsible for obtaining any necessary permissions and stating any such clearance upon submission of the entry.

*As a rule, please refrain from using copyrighted images reproduced from sources such as magazines, books or websites. Should any third party initiate claims of infringement of rights or should any other dispute arise, the entrant will be held responsible for dealing with such action or dispute and shall bear any costs incurred, including any damages incurred by the competition organizer.

If a works fails to satisfy the above requirements, it may be disqualified, or after being named winner the award may be revoked.

报名接受

Opening: Tuesday, January 10, 2006

Closing: Wednesday, February 15, 2006

*Entries must be received by the close of business in Japan on February 15, 2006

WHERE TO SEND

World Space Creators Awards

Ogura Building 3rd Floor

3-16-9 Takada, Toshima-ku

Tokyo 171-0033 Japan

结果公布

-Winners will be notified in writing by the beginning of April, 2006.

-Winning entries will be announced on the WORLD website (end of March 2006).

-Responses will not be made to any queries regarding judging or results.

ENTRIES

-Entries will not be returned. If necessary, entrants should make and retain copies.

-Copyrights and any other intellectual property rights to an entry reside with the entrant. If necessary, any procedure such as registering designs should be cleared before entrants make submissions.

-Intellectual property rights (including copyrights) of winning entries reside with the entrant, but the organizer retains the right to announce winning entries. Further, the competition organizer retains priority rights for registration of exclusive use rights when intellectual property rights such as copyrights and design rights are held by the entrant.

-While submissions' copyrights entry reside with the entrant, the competition organizer retains the right to print, publish, include in websites, display or otherwise announce any works entered for WORLD Space Creators Awards 2005 publicity purposes.

The organizer will inform the entrant with details upon any such publicity use.
