### DESCRIPTION

Although, potential of western market for Nepalese bamboo has been recognized, no concrete efforts have been made. For this reason, the Market Development of Bamboo and Rattan Potential Project (MRBRPP) under the Department of Forest Research and Survey (DFRS) recently commissioned a study on Developed Western Markets for Bamboo and Rattan Commodities of Nepal. This publication provides background of bamboo and rattan resources in Nepal, gives general account of documents, elaborates the marketing of bamboo and rattan at home and abroad, and scenario related to bamboo and rattan products. It further deals with strategies to access the western markets, and provides information on bamboo products appropriate for the western markets. Moreover, it identifies major commodities related to western markets and provides information on bamboo and rattan commodities of Nepal, and
