## LANDSCAPE ARCHITECTURE & REGIONAL PLANNING FACULTY PUBLICATION SERIES

### **Title**

Bondi's Island: Its Everybody's Problem

### **Authors**

John Mullin, *UMass Amherst* Follow

### **Publication Date**

June 1994

### **Journal or Book Title**

Business Digest

### **Abstract**

Bondi's Island is so pungently smelly that it is a negative influence on where we live, work, play and invest. If we do not correct the problem quickly, the image of our region as a special place will erode dramatically. Further, this problem does not belong to Springfield alone. It is one that requires strong regional and state participation.
