the 3rd Special Neurochemistry Conference-the 8th International Meeting for Brain Energy Metabolism

Dear Colleague,

You are cordially invited to attend the 3rd Special Neurochemistry Conference-the 8th International Meeting for Brain Energy Metabolism sponsored by the International Society for Neurochemistry (ISN), to be held in Beijing, China on June 27th to July 1st, 2008.

The conference aims to offer an opportunity to neuroscientists working in the fields of brain energy metabolism related to neuro-degenerative diseases and neuro-regeneration. The program committee has planned a wonderful program. It comprises of twelve sessions ranging from the role of glycogen, ammonia metabolism and toxicity, mitochondria function and dysfunction, neuro-degeneration, neuro-regeneration, etc. Various other relevant mechanisms are also under discussion (details available at: <http://www.isnbeijing2008.org>. Click " SCIENTIFIC PROGRAM"). We are now calling abstracts for poster presentation in the conference.

We are delighted to welcome you to Beijing, the capital of China in June, 2008. The conference will be held in Fragrant Hill Hotel designed by the world famous architect, I.M. Pei, and a visit to Great Wall will also be scheduled.

We are planning an exciting conference that is not to be missed. The ISN Special Neurochemistry Conference limits to 400 participants. We urge you to register as early as possible, so you will have plenty of time to prepare a wonderful trip to China.

Please visit the conference website or see the attachment for more detailed and update information: <http://www.isnbeijing2008.org>. We look forward to seeing you in Beijing!

Also, We courteously request you to pass this e-mail on to your colleagues. Your assistance is highly appreciated.

>From the Conference President
Albert C.H. Yu, Ph.D.
