Bio

Dr. Skinner received her undergraduate degree in Human Biology from Stanford and MD from Keck USC Medical School. She completed a residency in Urology at LAC+USC Medical Center, and a fellowship in Urologic Oncology under Dr. Donald Skinner at the Norris Cancer Center at USC. She was on the faculty at USC from 1990 through 2012. She was recruited to Stanford University to become Chair of the Department of Urology in May 2012.

Dr. Skinner has received a number of awards including a Stop Cancer career development award, numerous teaching awards and listing in “Best Doctors” for over a decade. Her primary focus has been in the surgical treatment of locally advanced bladder cancer and is a nationally recognized expert in bladder reconstruction and continent urinary diversion. She has active ongoing clinical trials in the treatment of bladder cancer and other urologic malignancies.

Clinical Focus

Cancer > Urologic Oncology
Cancer > urologic oncology
Bladder Cancer
Continent urinary reservoir
urinary tract reconstruction
testis cancer
Kidney Cancer
Urology
