November 2009 | Vol. 51, No. 9

## November 2009

### Excellent outcomes after establishing laparoscopic colon surgery in a nonacademic regional hospital

Conservative patient selection is shown to help when introducing a new minimally invasive procedure at a community facility.

**Hamish Hwang, MD, FRCSC, Kevin W. Wiseman, MD, FRCSC**

### Supporting family physicians in British Columbia: The experience of the Practice Support Program

An evaluation of four practice enhancement learning modules shows how these initiatives are having a positive impact on full-service family physicians and their patients.

**Dan MacCarthy, MB, BCH, BAO, Liza Kallstrom, BSc, MSc, Rosemary Gray, BA, BSc, PMP, Jo Ann Miller, PhD, Marcus J. Hollander, PhD**

## Most Viewed

### Residential school syndrome

Whether Indian residential schools are seen as an attempt at benevolence or a plan to annihilate a culture, many native people who attended the schools present with symptoms similar to those of post-traumatic stress disorder.

[Introduction](#)

### Commercial sexual exploitation of children and youth

There is much that physicians can do to help prevent and treat health problems that result from the commercial sexual exploitation of children and youth.
