## Calculating Continuous Archwire Forces

Egan Drenker<sup>a</sup>

<sup>a</sup>Dr. Egan W. Drenker, 676 Shoup Ave. West, P.O. Box GG, Twin Falls, ID 83303-0036

### ABSTRACT

A method for evaluating the forces applied by a continuous archwire on all of the teeth engaged by the wire. A demonstration analysis shows that force is delivered to all of the teeth engaged by the archwire, even when only one tooth is out of alignment with the passive arch.

Dr. Drenker is in the private practice of orthodontics in Twin Falls, Idaho. He holds B.S. and M.S. degrees in Engineering from the University of Nebraska, and D.D.S. and M.S.D in Orthodontics from the same institution

**KEY WORDS:** APPLIANCE, ARCHWIRE, FORCE.
