Obstructive Sleep Apnea — An Orthodontic Concern

Earle F. Cote^a

^aDr. Earle E Cote, 4 Dearfield Dr. Greenwich, CT 06830

ABSTRACT

A description of the obstructive sleep apnea syndrome and its many ramifications, with a case report on the diagnosis and treatment of a patient whose condition was relieved by orthodontics and orthognathic surgery.

Dr. Cote is in the private practice of Orthodontics in Greenwich, Connecticut. He is a dental graduate (D.D.S.) of Georgetown University, and holds a Certificate in Orthodontics from Columbia University. He is a Diplomate of the American Board of Orthodontics

KEY WORDS: AIRWAY, APNEA, RESPIRATION, SLEEP APNEA, SNORING, TONGUE.
