## Facial Pattern and Anterior Apical Base

H. U. Luder<sup>a</sup>

<sup>a</sup>Dr. H. U. Luder, Department of Orthodontics, Dental Institute, University of Zurich, Plattenstrasse 11, 8028 Zurich, SWITZERLAND

### ABSTRACT

A cephalometric study finding significant associations between variations in facial pattern and three measurements commonly used to evaluate apical base relationships (the horizontal distance between points A and B, and angles A-N-B and A-B/Occlusal plane).

Dr. Luder is Senior Research Associate in the Department of Orthodontics at the University of Zurich, Switzerland. He is a Dental graduate of the University of Zurich, and holds a Pr. Med. Dent. degree in Orthodontics from the same institution

**KEY WORDS:** APICAL BASE, CEPHALOMETRICS, FACIAL PATTERN.
