Attrition and the Edge-to-Edge Bite

An Anthropological Study

GREGORY A. REINHARDT^a

^aGregory A. Reinhardt, Department of Anthropology, University of California, Los Angeles, CA 90024

ABSTRACT

An evaluation of overjet and attrition in skulls of aboriginal California populations, finding a strong negative correlation.

Gregory Reinhardt holds an M.A. degree in Anthropology from the University of California at Los Angeles, and is currently in the Graduate Anthropology program there with a specialty in Archeology
