## Mixed Dentition Treatment with Cervical Traction and Lower Lingual Arch

WILLIAM M. ODOM<sup>a</sup>

<sup>a</sup>Dr. William Odom, University of the Pacific, Department of Orthodontics, 2155 Webster Street, San Francisco, California

### ABSTRACT

A cephalometric comparison of treatment changes among cervical traction alone, cervical traction combined with banded upper incisors and a lower lingual arch, and untreated controls.

Dr. Odom is Associate Clinical Professor of Orthodontics at the University of the Pacific in San Francisco, California, and in the private practice of Orthodontics in San Mateo and Half Moon Bay. He holds a D.D.S. degree from the College of Physicians and Surgeons in San Francisco, and a Certificate in Orthodontics from the University of Oregon
