The Angle Orthodontist: Vol. 11, No. 1, pp. 12-67.

The Application of the Principles of the Edge-wise Arch in the Treatment of Malocclusions: II.*

Charles H. Tweed, D.D.S.^a

^aTucson, Arizona

ABSTRACT

No Abstract Available.

* I am deeply indebted to Mrs. Angle and Dr. Samuel J. Lewis for their generous aid in editing the first section of the paper. Were it not for Dr. Lewis's encouragement and deep interest and his able editing of the complete paper on treatment it could not have been published until a much later date.
