María J. Martínez-Patiño, José Antonio Pérez Turpin

Abstract

In order to keep the life and works of J.A. Samaranch alive in the memory of the Olympic section of the Journal of Human Sport and Exercise, the Editorial Committee has decided to recover a previously unpublished interview from the fieldwork of lecturer M^a José Martínez-Patiño. The interview gives an insight into the thinking of our close friend on subjects which still continue to represent a model of Olympic thought today.
