## CRYPTO 2008

August 17-21, 2008  
Santa Barbara, California, USA

Paper submission deadline: **February 18, 2008, 23:59 PST**

**CRYPTO 2008** is the 28th International Cryptology Conference. It will be held at the [University of California, Santa Barbara](#). The academic program covers all aspects of cryptology. Formal proceedings, published by [Springer-Verlag](#), will be provided to registered attendees at the conference. Technical sessions will run from Monday morning to Thursday noon, with a non-technical activities half-day on Tuesday afternoon.

**CRYPTO 2008** is sponsored by the [International Association for Cryptologic Research \(IACR\)](#), in cooperation with the [Computer Science Department of the University of California, Santa Barbara](#). The Program Chair is [David Wagner](#) and the General Chair is [Susan Langford](#).

There are four main forms of technical content at **CRYPTO 2008**:

- Invited talks
- Refereed papers
- The Rump Session
- Birds-of-a-Feather sessions (BoFs)

The technical sessions with refereed papers and invited talks are on Monday, Tuesday morning, Wednesday, and Thursday morning. The Rump Session is on Tuesday evening. The BoFs are on Tuesday afternoon, which is otherwise free for social and tourist activities.

Attendees who require a visa and have not already applied should do so as soon as possible. See [this page](#) for more information.
