BIAC (The British Institute of Agricultural Consultants) is a professional organisation whose members provide advice to Farmers, Rural Businesses and those who care for our Environment and Country.

### WHAT DOES BIAC DO?

- Maintains an up-to-date register of members.
- Provides members with relevant information.
- Provides skill facilities for members.
- Provides regional and national networking facilities.
- Promotes members for work through its pro-active community.

FOR MORE DETAILS ON HOW AND WHY BIAC WORKS [CLICK HERE](#) OR GO TO " ABOUT BIAC " .
