Library & Society: On Shera's Theory of Social  
Epistemology

Gu Xiujie ( Information Management Department of Peking University, Beijing  
100871 )

Abstract: After analysis of the background of the theory of social epistemology, the author studied its content and functions from macro, medium and micro views. Succeeded Shera's angle of view, the author did more study on the medium level and pointed out that libraries were facing four competitions. Then, on the base of subdividing libraries, the author believed that it was important to understand the variety of library.
